#### SECTION I – CONDITIONS

##### B. Deductible

The following special deductible is added to the policy:

With respect to the peril of Wind storm Or Hail, for any one loss, we will pay only that part of the total of all losses payable that exceeds the windstorm or hail percentage deductible.

The dollar amount of the windstorm or hail deductible is determined by multiplying the Coverage **A** Limit Of Liability shown in the Declarations by the deductible percentage amount shown in the Schedule above.

No other deductible in the policy applies to losses caused by windstorm or hail.

All other provisions of this policy apply.
